BACHELOR OF BUSINESS ADMINISTRATION PROGRAM

Declaration of Second Major

Today's Date: _____

A student in the BBA program may complete a College major. All students receive a Bachelor of Business Administration with a major of General Business. Your priority major is General Business. A College major will be a second major. You must contact the department directly to confirm the requirements for a particular major. Business School students do not necessarily get the priority consideration in selecting courses in a second major area. If you are pursuing a second major through the College, please indicate the major below:
