

EUMMA MEETING

Never Give a Non-mathematician an Even Break

Prof. Ronald Gould
Emory University

Abstract: Come and attend EUMMA's first event of the year as we learn how a little mathematics can go a long way in card games, coin flipping games, and even paintball. All those with any interest in mathematics and computer science are encouraged to attend.

Tuesday, September 15, 2009, 7:00 pm
Mathematics and Science Center: W201

Food and drinks will be served.
